

BOARD LEADERSHIP DEVELOPMENT EXPERIENCE

The **Sigma Theta Tau International Honor Society of Nursing (Sigma)** and the **Nurses on Boards Coalition (NOBC)** have joined together to offer an information-packed presentation on Board Competencies.

The **Board Leadership Development Experience** is designed to engage and inform leadership and members of organizations, corporate leadership, and others regarding how board opportunities become reality.

An instructional session is followed by a panel that explores how board opportunities can enhance nursing's voice and leadership at the governance level to improve health outcomes.

About Sigma and NOBC:

Sigma hosts a Board Leadership Institute, publishes multiple books, and presents internationally on board leader development.

NOBC seeks to improve health in communities across the nation through the service of nurses on boards.

Sigma and NOBC collaborate to educate, prepare, and engage nurse leaders to serve on a board where their knowledge, skills, and passion align.

PARTICIPANTS WILL:

- Identify competencies nurses need to be selected for board service
- Perform mapping of board competencies based upon data from pre-selected participants
- Discover how to build and use a board resume
- Learn how to identify and pursue board positions, based upon results of the mapping session and real-life application

EACH THREE-HOUR SESSION INCLUDES:

- Oral presentation
- Group discussion
- Demonstration
- Panel presentation
- Q&A

FINANCIAL INVESTMENT:

**NOBC Member Price: \$60 per person (Non-members: \$120)
Plus expenses for two presenters**
